

Shri Krishna Polyurethane Ind. (P) Ltd.

PRODUCT CATALOGUE

SKPI, Shri Krishna Polyurethane Ind. (P) Ltd. a company with experience of over three decades stands for the prime polyurethane moulds producers in India. Producing vast range of PU foams for seats applications, variety of PU Foams and other applications, PU grab handles and Arms Rests and a long list that includes a number of products that are true solutions for Office Furniture, Auditorium Chairs, Home Furniture, Banquette Furnishings and Automobile Industry. Furthermore, SKPI is capable of producing any product made of polyurethane in the ultra modern unit with skilled manpower working on the latest state-of-the-art high pressure machines imported from Germany.

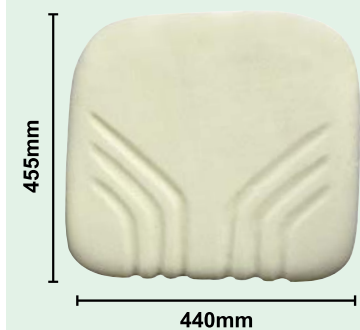

SKPI products are inspired by a philosophy based on an intimate understanding of the senses. Because we put the body's physical and sensual demands at the heart of the production process, the products we create provide the optimum combination of aesthetics, functionality and ergonomic values.

We hope the products you see in these pages of our catalogue will inspire and excite you. This collection is the embodiment of all we know about PU and PU furniture parts. In our range of products, it will evolve. But for now, we believe it's the finest range available. Put it to the test, and let your senses decide.
